PROPOSED RETIREMENT SYSTEM CHANGES

25X1

1. The Agency has worked closely with the Senate Select Committee on Intelligence and the House Permanent Select Committee on Intelligence to ensure that the retirement program needs of our employees and CIA are understood when and if proposed changes are presented to the Congress. Briefings have been conducted for Congressional staff members and memoranda have been forwarded providing detailed information.

2. The Director has discussed his concerns with the President and key Congressional and Administration officials. Attached are copies of letters from Chairman Boland and Senator Durenberger which are examples of the responses he has received.
